I hope you all had a wonderful Spring Break! I certainly did! Now that we are back at school, we have so much to do in so little time! We only have a little over three weeks left in our school year—it is so hard to believe! In that time we will accomplish a great deal with several exciting activities to finish our year with a bang!

### **Wax Museum**

Our Wax Museum will be on Thursday from 12:45-1:45 in the library. Feel free to come and visit if your schedule allows. We will be practicing on our speeches today and having a modified dress rehearsal tomorrow. Please have your child's costume and all props

## Welcome Back!

here by tomorrow. Thanks!

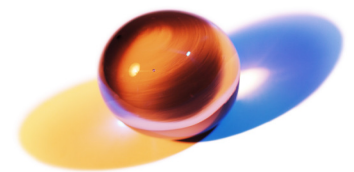

### **Wizard of Oz**

We will be going to see the play at the BellSouth Acuff Theater at Opry Mills on May 12th at 10:00 a.m. We will be leaving here shortly after Tefillah. Susan Pankowsky has already graciously volunteered to drive so we have spots for a couple more drivers. Please let either Susan, Christina or myself know if you will be able to go along. Thanks!

### **Mini-Mall**

We will be having our mini-mall on May 21st. A form will be coming home this week to help you plan what "good" your child will be planning to

"manufacture" and to avoid duplication. Some successful ideas that past students have used are decorated pens/pencils, various types of paper crafts, home-made play dough, small, painted, clay flower pots with or without flowers, free coloring pages from children's websites, bookmarks, paper airplanes, or pony bead bracelets. If you need help coming up with an idea, I have several craft books with easy ideas. Let me know. Anything that your child will enjoy making and selling will be perfect!

**REMINDER! CTP-4 Testing is coming up next week! There will be NO HOMEWORK except reading. Please make sure that your child has a good breakfast each morning for brainpower!**

**REMEMBER TO SEND IN ONE MARBLE FOR THE MEMORIAL CHILDREN'S STATUE IN ISRAEL. THANKS!**
