

Dear Parents,

I can't believe we are already in the middle of the school year. It has been such a joy getting to know each of your children and I can't wait to see all that we learn by the end of the year. Attached is a packet of common phrases in our workbook. These are phrases that help tell the children what is expected of them in different sections. For example, you will notice that there will be a picture of a hand gluing to let your child know that they are expected to glue for that section of the homework. Provided is both the picture and the Hebrew phrase, along with an English translation of each phrase. I hope that this packet will help you and your child with the Hebrew homework each night. It is my hope that this helps them become more independent as the year goes on. Please email me with any questions.

Thanks in advance for all of your support.
