

## Akiva School Library Media Center Birthday Bookers Program 2010-2011

Parents, grandparents, and friends are invited to participate in the *Birthday Bookers Program*. Your child will appreciate the recognition given to his or her birthday, and your contribution will enhance our library book collection. Birthday books are purchased with the funds donated by our Akiva families. This is how the club works:

- **The donor may contribute \$15.00 or more per book.** Make check payable to *Akiva School Birthday Bookers Program*.
- Nonfiction, fiction, and reference books that support the curriculum will be selected and purchased with *Birthday Bookers Program* funds.
- An inscribed bookplate will name the student, the student's birthday, and the donor.
- The student will be the first person to check out the book. It will be presented during morning assembly.
- Memorial books and Honor books may also be contributed through the *Birthday Bookers Program*.
