

# Akiva School Publix Cards Shop & Donate

Publix has an easy way for you to help support Akiva School...

Just attach a handy card to your key chain and/or tuck one in your wallet and you're set. Anytime you go shopping at Publix pass them your card to swipe when you checkout and they will donate a percentage of your purchase to Akiva School. It's that easy!

Pass them along to friends and family that shop at Publix - excluding those in Florida - because every little bit helps!
